

REBUILD IRAQ

2ND IRAQ ECONOMIC DEVELOPMENT SUMMIT
27-28 JUNE 2021 | BAGHDAD AND ONLINE

WELCOME TO THE 2ND ANNUAL REBUILD IRAQ CONFERENCE AND EXHIBITION!

Held following the outstanding success of the “Iraq: A Leap Forward” conference in December 2018, this year Rebuild Iraq returns under the official patronage of the Government of Iraq, the National Investment Commission, and the Office of H.E. the Prime Minister of the Republic of Iraq.

Rebuild Iraq supports Iraqi Ministries in unveiling strategically important tender and project opportunities, providing a platform for multinational companies to access key decisionmakers from the government, and secure business opportunities. This year Rebuild Iraq is being held in a hybrid format, physically in Baghdad, as well as virtually online. We have all the bases covered, so join us in March and do not miss out on Rebuilding Iraq!

REBUILD IRAQ

2ND IRAQ ECONOMIC DEVELOPMENT SUMMIT
27-28 JUNE 2021 | BAGHDAD AND ONLINE

ABOUT THE EVENT

Rebuild Iraq is dedicated to showcasing project opportunities for multinational companies in sectors other than oil and gas, supporting Iraq in its mission to diversify its economy and spur foreign direct investment.

Iraq is one of the final unstructured markets in the Middle East and North Africa region, offering lucrative commercial opportunities to companies robust and strategically placed enough to do business in the country.

Rebuild Iraq will highlight the government's efforts to shift Iraq's economy to a new, diversified development model for an Iraq of tomorrow. A confident economy: productive, technologically advanced, innovative, entrepreneurial, and competitive, which will

disprove pessimists and attract the recognition and praise of international partners.

Rebuild Iraq will feature government and business leaders from Iraq, the MENA region, and around the world, together with top executives from multinational companies, as well as sections of the financial and investment communities. In parallel to the main session, there will be a series of one-on-one meetings between government officials and the management of participating companies, as well as partnering between multinational companies and Iraqi Joint Venture partners, agents, and distributors.

In 2021 Rebuild Iraq will focus on business and investment opportunities in key priority sectors of the economy, including:

ELECTRICITY

INFRASTRUCTURE
AND ROADS

FARMING AND
